

Dear Chamber Family,

It is incredible to think that Chamber Music Society of St. Louis is about to celebrate our 15th Anniversary! Please join us this year for what will be a very exciting season with some amazing embellishments to our Michael F. Neidorff Chamber Concert Series.

Cabaret seating is back! We are ecstatic to return to our signature casual cabaret-style seating. Concerts will again be presented at the 560 Music Center. To accommodate this cabaret-style, we will perform in the Pillsbury Theatre with an occasional move to the Concert Hall for expanded programs. Drinks and snacks will be available pre-concert and at intermission to enjoy at your table. Free parking is available in the parking garage at the rear of the 560 Music Center and on the street.

Opening Concert with Nicholas McGegan Nic helps us begin the journey through this celebratory season on September 18th with ***“Romancing The Baroque”***.

Collaboration with St. Louis Ballet Consider including in your subscription our partnership with St. Louis Ballet presenting *Giselle* on October 6th, 7th and 8th at the Touhill Theatre. Choose from one of three ballet performances in your package.

Special Halloween Screen Showing at the Hi-Pointe Theatre On October 30th we collaborate with Cinema St. Louis in their new home at the Hi-Pointe Theatre. Andrew Greene returns to lead CMSSL musicians performing the music live to silent movies on the big screen. One stars Charlie Chaplin and the other stars Laurel & Hardy.....not to mention...the best popcorn in town.

A Few Other Programs of Note (pun intended) Got a busy schedule? Have we got the fast-paced concert for you! ***“Chamber Music For People In A Hurry”*** includes ‘Minute Waltz’ and ‘Flight of the Bumblebee.’ ***“Women of Notes”*** contains some very pleasing music by female composers, and don’t miss ***“A Frivolous First”*** for some April Fool’s Day fun with music.

Wait- There’s MORE! We could tell you so much more about our new season and special concerts, but find out for yourself by subscribing!
